

## **E-Pump Kit-1**

### **Electric Power Steering Pump Fitted to inner-guard on a Ford XY Falcon.**

Photo's below shows one of our Electric Power Steering Pumps fitted to the right hand side inner front guard on a Ford XY Falcon.

**Power Steering Rack was modified to fit the Chassis mounts.**

Photo view is under the vehicle from below the RHS lower control arm looking up.

**This Pump has a remote reservoir the supply and return hoses are clamped to the chassis rail for extra clearance. The reservoir was mounted inside the engine bay.**

**Brackets were made to mount Pump to Front of the RHS Inner-guard.**
